

*Our school is having a live in-school musical performances by The Playground Craze. 'Cyberkindness'. The performances include cool pop music and fun theatre to engage students with important social-emotional skills and values. Positive pop music covers topics such as confidence, resilience, kindness, persistence, friendship and online safety.*

*The Playground Craze helps students strengthen self-awareness and self-management of personal and social skills found in the new Australian National Curriculum. Cyberkindness is endorsed by the eSafety Commissioner as a Trusted eSafety Provider.*

*In a rock-concert-like atmosphere, the band uses street dance, pop music and comedy to build rapport with children. Students learn through storytelling how to build positive attributes in themselves by observing the characters in 'real world' contexts of young people.*
